

## Choices For Families Zone 1 - Sunshine Coast, North and West Vancouver

The Housing Listings is a resource directory of affordable housing in British Columbia and divides the Lower Mainland into 7 zones. Zone 1 identifies affordable housing in the Sunshine Coast, North Vancouver and West Vancouver. North Vancouver has been further divided into 2 city neighbourhoods. Corresponding listings of affordable housing for families are attached.

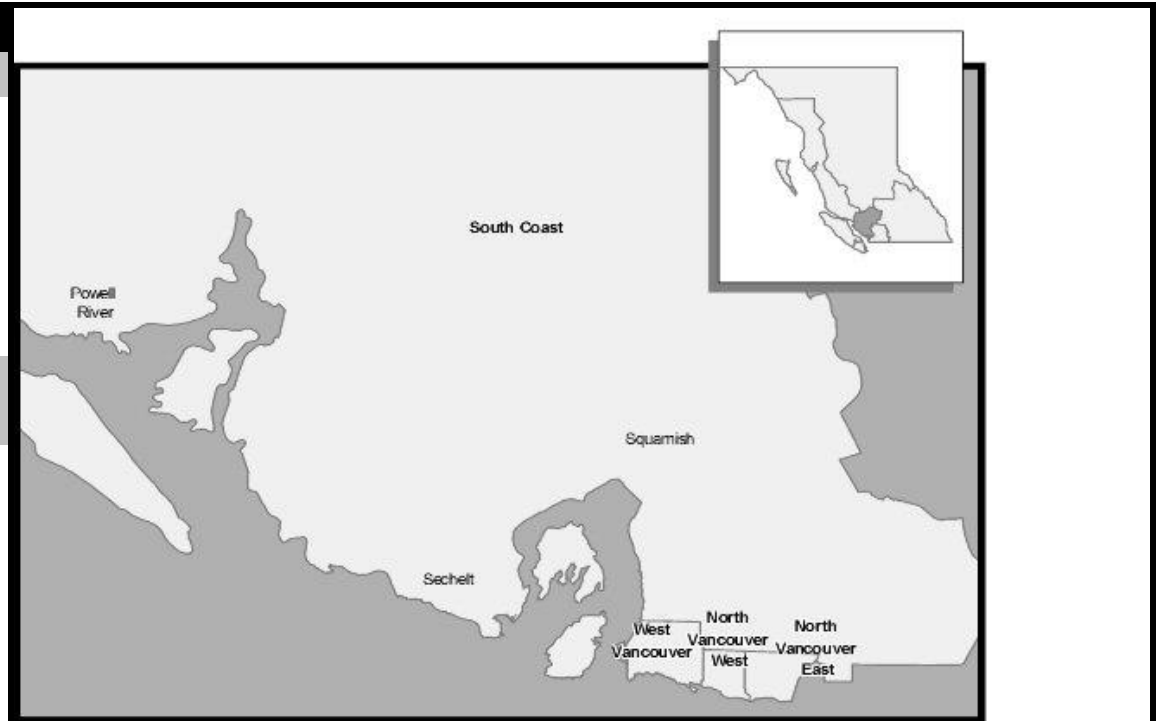

### **The attached listings are divided into two sections.**

#### **Section #1: Apply to The Housing Registry**

Section 1 lists developments that The Housing Registry accepts applications for. These include developments that BC Housing manages, and some non-profit and co-op developments. To apply for these developments, please complete an application form which is available from any BC Housing office, or download the form from [www.bchousing.org](http://www.bchousing.org).

#### **Section #2: Apply directly to Non-Profit Societies and Housing Co-ops**

Section 2 lists developments where the individual non-profit societies or co-operatives maintain their own applicant lists and fill vacancies from this list. To apply for these developments, please contact the society or co-op using the information provided in the column titled "How to Apply". Please note, some non-profits and co-ops close their applicant list if they reach a maximum number of applicants.

In order to increase your chances of obtaining housing it is recommended that you apply for several locations at once.
